Poorna Srivastava

Gwalior, Madhya Pradesh

poornasrivastava8@gmail.com

Summary

Aspiring Data Analyst with a solid foundation in data analysis, statistical methods, and visualization tools like Python, Power BI, and SQL. Equipped with a B.Com degree in Computer Applications, I have developed practical skills through academic projects focused on analyzing and interpreting complex data sets. I am eager to contribute analytical and problem-solving skills in a dynamic data-driven environment.

Education

Bachelor of Commerce in Computer Applications

Jiwaji University, Gwalior, Madhya Pradesh

Expected Graduation: July 2025

Relevant Coursework: Data Analysis, Database Management, Statistics, Python Programming, SQL, Business Intelligence, Financial Accounting.

Skills

Technical Skills: Python, Pandas, NumPy, SQL, Matplotlib, Power BI, Excel, Data Cleaning, Data Visualization, HTML, CSS, JavaScript, PHP, ASP.NET, C#.
